Epson **EB-1770W**

WXGA	**3000 lm**	**kg 1,7**
3-in-1 USB display	**1 W**	**PC free**
HDMI	**WiFi**	

Whether travelling on business or simply moving between meeting rooms, this ultra-mobile projector is the ideal choice for effective, stress-free presenting.

Designed with the mobile presenter in mind, this stylish projector weighs just 1.7kg with a height of 44mm – making it one of the flattest and lightest models in Epson's projector range. A high white and Colour Light Output (CLO) of 3,000 lumens combined with Epson's 3LCD technology provides outstanding picture quality and vivid natural colours even in full daylight. The projector's WXGA resolution offers full widescreen presenting.

Perfect for presenting on-location, set-up is easy with the quick start-up and instant-off functions. Automatic vertical keystone and manual horizontal keystone correction means images are always completely straight and free from distortion.

Control and improve your presentation with a host of EasyMP features, including 3-in-1 USB display, USB PC free function, plus optional wireless connectivity.

KEY FEATURES

- Extra-flat, ultra-light design
- 3,000 lumens for easy daylight viewing
- Automatic vertical keystone correction
- USB Display for fuss-free presenting
- Quick start-up and instant-off functions
