

Epson EB-1776W

DATASHEET

Whether travelling on business or simply moving between meeting rooms, this ultra-mobile projector is the ideal choice for effective, stress-free presenting on the move.

The lightweight, slim design of the Epson EB-1776W, along with its carry case, makes it effortless to transport. Set-up and shut down is easy with the quick start-up and instant-off functions. With its fast, responsive Wi-Fi connectivity, you can connect your laptop wirelessly.

The EB-1776W provides fast and easy set up with its Screen Fit function. Operated with a dedicated button, projections fit perfectly into any projection screen with a black frame, so images are always straight and distortion-free in seconds. The side-by-side split screen function lets you present from two different sources.

With PC-free connectivity you can present slideshows directly from your USB memory stick, cutting down on the amount of equipment you need to carry with you. The slideshow displays PDF documents as well as static images.

This ultra-mobile projector is compatible with Epson's iProjection app. Once downloaded to your smartphone, you can send Word (doc, docx)¹, Excel (xls,xlsx)¹, PowerPoint (ppt, pptx)¹, Keynote and PDF documents wirelessly to the projector, giving you extra options to enhance your presentations on the move.

The EB-1776W is enhanced by Epson's 3LCD technology to provide superb quality images with White and Colour Light Output of up to 3,000 lumens.
