Epson **EB-G6350**

5,000:1

XGA

The Epson EB-G6350 educational projector for is ideal for the classroom or lecture theatre. Presentations are delivered with rich, vivid colours - even in daylight. This is thanks to Epson's 3LCD technology enabling an equally high White and Colour Light Output of 7,000 lumens, and a XGA resolution.

The Epson EB-G6350 boasts superior picture quality, ensuring the best possible projection for important presentations. The Colour Uniformity function compensates for unequal colour distribution by adjusting the intensity of RGB on individual areas of the screen.
New and innovative features are designed to offer the best possible presenting tools. The projector can be rotated vertically by 360 degrees so the projection image can be easily moved around the room.

The Epson EB-G6350 is easy to set up and use, thanks to a variety of user-friendly installation features. Pixel alignment, for example, enables the user to align pictures easily and effectively during set up for clear, correct images. With edge blending, a large, widescreen image can be projected from a number of projectors working together seamlessly. Its powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it quick and easy to set up in a variety of positions without picture blurring or distortion.

The HDMI input provides the flexibility to connect to high definition devices, ensuring this projector is compatible with more input sources.

For simpler integration, this model is also compatible with the Epson EB-G5 series lenses[1].

KEY FEATURES

- 7,000lm White and Colour Light Output
- XGA screen resolution
- 3LCD technology for richer colours
- 360° vertical rotation of projector

TECHNOLOGY

Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0.79 inch with C2 Fine

IMAGE

Color Light Output	7,000 lumen - 4,900 lumen (economy)
White Light Output	7,000 lumen - 4,900 lumen (economy)
Resolution	XGA, 1024 x 768, 4:3
Contrast Ratio	5,000 : 1
Lamp	380 W, 2,000 h durability, 4,000 h durability (economy mode)
Keystone Correction	Manual vertical: ± 30 °, Manual horizontal ± 30 °

OPTICAL

Projection Ratio	1.29 - 2.35:1
Zoom	Manual, Factor: 1, 1.8
Projection Size	50 inches - 300 inches
Projection Distance Wide	1.3 m - 8 m (50 inch screen)
Projection Distance Tele	2.4 m - 14.7 m (50 inch screen)
Projection Lens F Number	1.65 - 2.55
Focal Distance	21.28 mm - 37.94 mm
Focus	Manual

CONNECTIVITY

Interfaces	RS-232C, Ethernet interface (100 Base-TX / 10 Base-T), Wireless LAN IEEE 802.11b/g/n (optional), VGA in, HDMI in, Display Port, Composite in, BNC in, S-Video in, VGA out, Stereo mini jack audio out, Stereo mini jack audio in (4x), Cinch audio in
Smart device connection	Yes with Epson iOS App

ADVANCED FEATURES

Security	Kensington lock, Security bar
Features	Direct Power on/off, Epson Cinema Filter
Video Color Modes	Dynamic, Presentation, Sports, sRGB, Theatre, DICOM SIM

GENERAL

Energy Use	542 W, 405 W (economy), 0.41 W (standby)
Product dimensions	406 x 505 x 171 (Width x Depth x Height)
Product weight	9.7 kg
Noise Level	Normal: 37 dB (A) - Economy: 31 dB (A)
Included Software	EasyMP Monitor
Loudspeaker	10 W

OTHER

Warranty	36 months Carry in or 15,000 h, Lamp: 36 months or 3,000 h

LOGISTICS INFORMATION

SKU	V11H508041
Barcode	8715946526485

WHAT'S IN THE BOX

- CD Manual
- Cable cover
- Cable hook
- Computer cable
- Power cable
- Remote control incl. batteries

OPTIONAL ACCESSORIES

- Ceiling Mount - ELPMB22 - White
  V12H003B22
- Quick Wireless Connect USB key - ELPAP09
  V12H005M09
- Adapter - ELPAP07 Wireless LAN b/g/n
  V12H418P13

1. Except ELPLS05 lens
